## **Test of Written English**

Time – <u>45</u> minutes

## Choose **one** of the two topics given below and write an essay on it:

1)	Commenting the Russia's annexation of Crimea, some call it a successful pursuit of Russia's national interests; others say this was a violation of the international law. What is your interpretation of Russia's annexation of Crimea and what implications it may have for security in Eurasia? Please provide arguments to support your point of view.
2)	Some political leaders believe tightened state control over the Internet is required to prevent revolutions and influence of "external actors". Would you agree with these political leaders? Why, or why not? Feel free to refer to your country when providing arguments to support your point of view.
