

MOCCA TEAM Follow-up Meeting and MoU Signing

Date: 26 June 2024

Start: 9.00 am

Venue: OSCE Academy in Bishkek, Conference Hall

Background: “MOCCA: Multilevel Orders of Corruption in Central Asia” is a 4-year research and training project funded by the European Commission’s H2021 MSCA-RISE programme (project number 101085855), which runs from 01/01/2023 through 31/12/2026. MOCCA is a research and staff exchange programme intended to contribute to the global and national efforts of understanding and counteracting corruption by conducting interdisciplinary research on the multilevel orders of corruption in five countries in post-Soviet Central Asia (Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, and Uzbekistan). The project is implemented by 8 leading European universities and 9 partners operating in Central Asian region.

Participants from the OSCE Academy (MOCCA seconded):

Dr. Indira Satarkulova – Deputy Director,

Dr. Burulcha Sulaymanova - Senior Lecturer,

Dr. Almadan Orozobekova - Project and Training Specialist
